Dear Ms. Quirk:

You ask whether certain information is subject to required public disclosure under the Texas Open Records Act, chapter 552 of the Government Code. Your request was assigned ID# 34156.

The City of San Antonio received a request for information relating to a client list which identifies youths requiring shelter and other services. You contend that the requested information is excepted under section 552.101 of the Government Code as information made confidential by law. You cite title 42 of the United States Code section 5731. We agree that this information is made confidential by law and must be withheld from required public disclosure.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination under section 552.301 regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

A handwritten signature in black ink, appearing to read "Ruth H. Soucy", is written over a horizontal line.
